Disparity in Power Tariff in the Capital

98. SHRI KALRAJ MISHRA: Will the Minister of POWER be pleased to state:

(a) whether it is **a** fact that consequent upon partial privatization of power distribution in different areas in Delhi and New Delhi have resulted in sharp disparities in the power-tariff in different parts of the capital;

(b) if so, the comparative tariff rates for power consumption leviable to

different strata of consumers in different areas of the Union Territory including the NDMC areas; and

(c) the steps taken and are being taken to bring about a degree of parity?

THE MINISTER OF POWER (SHRI P.M. SAYEED): (a) to (c) Tariff for various categories of consumers are required to be determined by the State Regulatory Commission in accordance with the provisions of the Electricity Act, 2003. Accordingly, the tariff rate for various categories of consumers in Delhi are determined by the Delhi Electricity Regulatory Commission (DERC).

The tariff in NCT of Delhi for the geographical areas which are serviced by the North Delhi Power Limited (NDPL), BSES Yamuna Power Limited (BYPL) and BSES Rajdhani Power Limited (BRPL) are governed by the Policy Directions issued by the Government of NCT of Delhi on 22nd November, 2001 and 31st may, 2002 in relation to the restructuring of the erstwhile Delhi Vidyut Board. Section 14 of the Policy Directions issued by the Government *vide* their notification of 22nd November, 2001 states that as a matter of Policy, the Government had decided that retail tariff for the three Distribution Licensees shall be identical till the end of 2006-07 *i.e.* consumers of a particular category shall pay the same retail tariffs irrespective of their geographical location. These policy directives are not applicable in respect of the New Delhi Municipal Council (NDMC) and the retain tariff in the NDMC areas is different.

The tariff for various categories of consumers in BSES Yamuna, BSES Rajdhani and North Delhi Power Ltd. and NDMC area is given in the statement.
